3 hole Pencil Pouch for Binders

We believe that every student has the right to start the school year empowered and equipped with the right tools to be successful.

**We are kicking off this fall by working with the Boys and Girls Club and our partner schools (Grant, Highland, Parrish) to support students in our neighborhood.**

**The School Supply Drive will run from August 17th thru September 21st, 2024.**

Supplies will be collected in the bins located throughout the lobby on weekends and at the receptionist desk during the week.

Thanks for providing students in our neighborhood with the supplies they need to enter a new year with confidence and courage.
