BAPTISM PACKET

SALEM ALLIANCE CHURCH

SALEM ALLIANCE CHURCH

We're excited that you are considering being baptized at Salem Alliance Church. Baptism is a public declaration identifying you as a follower of Jesus Christ and an important step in your faith journey.

In biblical times, baptisms were held in public places where family and friends gathered to witness the event. Today, baptism services at Salem Alliance continue in that tradition so Christ-followers have an opportunity to openly express their commitment and allegiance to Jesus. Baptism symbolizes the end of your old way of life without Jesus Christ. Coming up out of the water is a picture of our spiritual rebirth in Christ and our victory over sin and death. The Apostle Paul compares this life change to putting on a new set of clothes in Galatians 3:27: "For all of you who were baptized into Christ have clothed yourselves with Christ."

It is important that you take time to read through the material in this packet. There are instructions on the next page outlining the steps to be baptized at Salem Alliance Church. Please complete the necessary pages and **bring them with you** to the Baptism Class in order to participate in one of our baptism services.

We are truly excited for all who are ready to make their relationship with Jesus known to others through baptism. This act of commitment and dedication honors God and fulfills the commandment of Scripture given by the Lord Jesus Himself: "Go and make disciples of all nations, baptizing them in the name of the Father, Son, and Holy Spirit" (Matthew 28:19).

May God bless you as you prepare!

To your Grown-Up:

As kids grow in their understanding of what it means to follow Jesus, they might be interested in baptism. At Salem Alliance, we provide the opportunity for children to be baptized if they can articulate their faith in Jesus clearly and show a desire to follow Him forever. We can nurture their curiosity by offering a supportive environment for them to reflect on their thoughts and experiences.

However, we also acknowledge the impact of waiting until they are older. With maturity comes a deeper understanding of what it means to follow Jesus, making their decision to be baptized more significant and personal.

Regardless of age, we rely on parents or other significant adults in a child's life to witness and confirm the child's readiness for this significant milestone. It is also important to consider our own motives, noticing where we harbor comparison to others or the desire to portray a specific image.

Please take the time to complete this packet together with your child. Review the information and fill out the faith story section before the class on Sunday afternoon. If you have any questions, please contact Kahri Mlinarcik, Angy Thomas, or Cary Wood.

BAPTISM: What, Why, Who, & When

What?

What does Baptism mean?

Look at a picture of yourself. It is not physically you, but it is a 'reminder' of what you look like. God chose baptism to give people a picture, or reminder, of our new life in Jesus Christ.

Here's what the picture of baptism is...

Going Down

GOING DOWN into the water reminds us that Jesus died as the punishment for our sins. We are saying that our old sinful self died and was buried with Him.

Coming Up

COMING UP out of the water reminds us that Jesus was raised to new life. As we come out we are saying to our friends and family who watch that we have a new and eternal life because of Jesus.

Baptism is your way to tell those who are watching that you believe Jesus died in your place for your sins, and you want to live the rest of your life with Him.

Why?

Why should we be baptized?

When Jesus was on earth people often came to Him and asked to be forgiven of their sins. Jesus would then have His disciples baptize them. They would go to a river or a pool and gently be put under the water and then be brought back up again. Doing this showed all the people who were looking on, that the person's sin had been washed away and he had started a new life with Jesus.

We do this today still because Jesus told us to baptize each believer as a sign of their new life in Christ.

- **Matthew 28:18-20** "Jesus came and told his disciples, "I have been given all authority in heaven and on earth. Therefore, go and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit. Teach these new disciples to obey all the commands I have given you. And be sure of this: I am with you always, even to the end of the age."

Who?

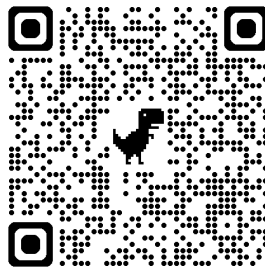

Who should be baptized?

Anyone who believes Jesus Christ died for their sins and wants to spend the rest of their life with Him.

These are the steps to that decision:

- A — Admit you are a sinner and ask forgiveness for your sins
- B — Believe that Jesus is God's Son and understand that His death and resurrection has paid for your sins.
- C — Choose to live your life for God.

If you are wondering more about this decision, there is a Salvation Conversation Guide that is available to you. Please scan scan the QR code below to access it.

When?

Are you ready to be baptized?

Baptism is a way of showing others that you believe Jesus died for your sins, and you want to live the rest of your life with Him. It is a one-time, life-changing event. It is okay to make the decision to be baptized when you are young, or to wait until you are a little older. Talk with your grown-ups about the right time for you to be baptized.
